

Duración:
Compás simple unidad de tiempo la blanca
Compás Compuesto

Catalina Sentis Acuña

Copases Simples

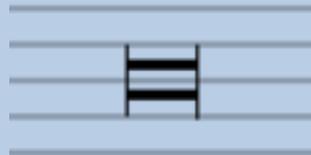

- Unidad de Tiempo Blanca

- La cuadrada: 8 tiempos

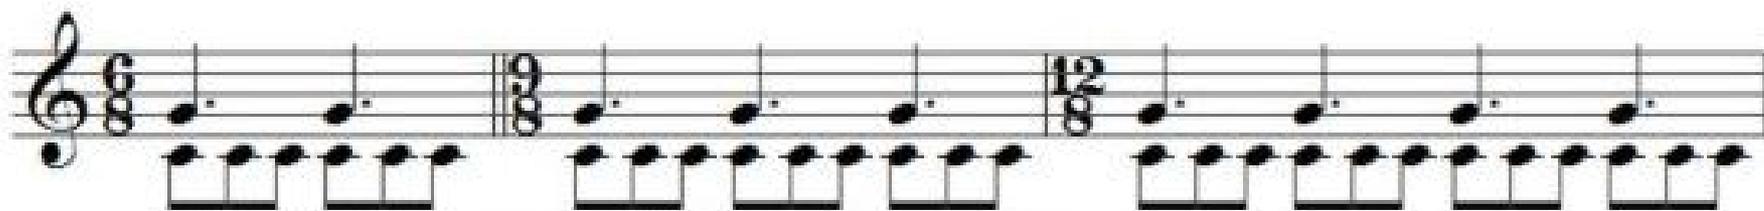

Figura

Silencio

Compases Compuestos

- En los compases compuestos, cada tiempo se subdivide en *tres*, a diferencia de los simples en que cada tiempo se subdivide en *dos*.

Unidades de tiempo y divisiones ternarias en compases compuestos

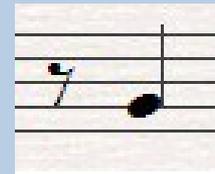

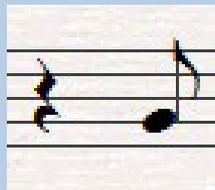

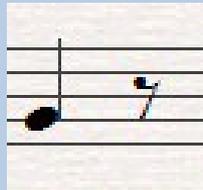

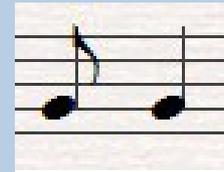

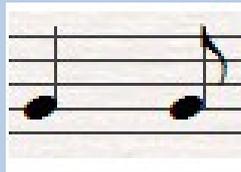

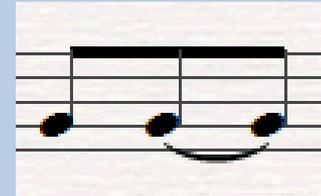

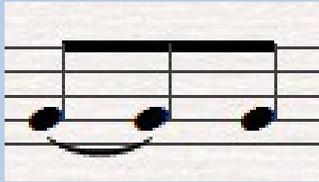

- El pulso se lleva en negra con punto.

Compases simples con sus unidades de tiempo y divisiones binarias correspondientes.

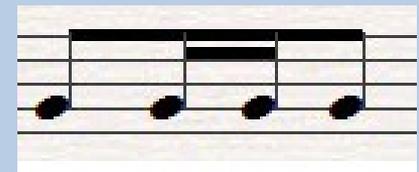

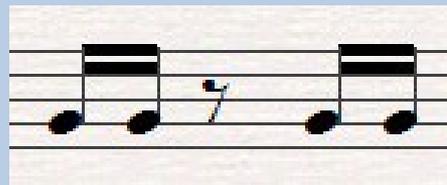

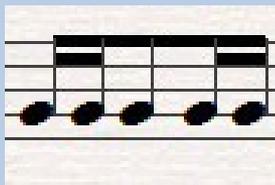

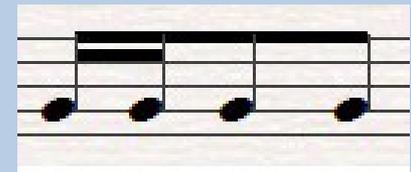

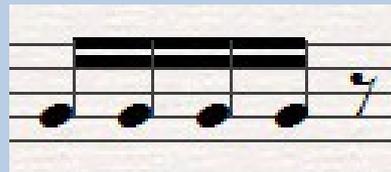

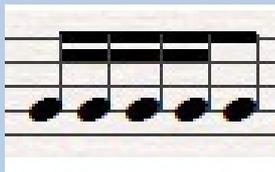

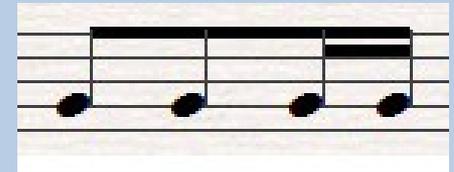

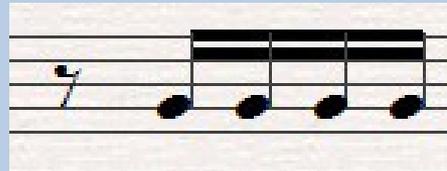

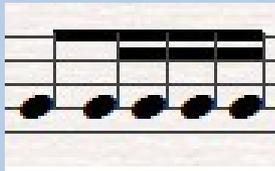

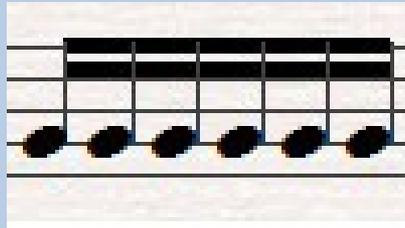

The image displays two rows of musical notation on a light blue background. The top row illustrates simple time signatures: 2/4, 3/4, and 4/4. Each measure is divided into its respective number of equal parts by vertical lines, and arrows point down to the corresponding divisions in the bottom row. The bottom row shows compound time signatures: 6/8, 9/8, and 12/8. These are also divided into their respective number of equal parts, with arrows pointing down to the corresponding divisions in the top row. The notation includes a treble clef, a key signature of one flat (Bb), and a double bar line at the end of each section.

Compases compuestos con sus unidades de tiempo y divisiones binarias correspondientes.
